Re: Spectrum Needs of Emergency Responders, WT Docket No. 05-157

Dear Ms. Dortch:

On November 16 2005, I met with Cathleen Massey and Tom Stanley of the Federal Communications Commission's (Commission) Wireless Telecom Bureau (WTB), and Barry Ohlson in the Commission's office. The purpose of the meeting was to discuss the Commission's on-going Congressionally mandated study of the spectrum needs of emergency response providers, pursuant to Section 7502 of the Intelligence Reform Act.¹ The substance of the discussion was the information in our company's September 9, 2005 filing to Docket 05-157.

In accordance with Section 1.1206(b)(2) of the Commission's rules, this letter is being filed electronically with your office. Please contact the undersigned with any questions in connection with this filing.

Respectfully submitted,

Edwin A Kelley
